Ms. Shelley McMahan
Tom McMahan Construction Scholar. Fund
4441 South Abilene Circle
Aurora, CO 80015-1047

Dear Shelley,

Greetings on a finally sunny day on the CSU campus! We are slowing down in our offices now that the students have completed finals and left for internships this summer, and all this rain we've had in recent weeks has left a picturesque green on our quiet campus. We are writing to you to express our thanks and appreciation for your most recent contribution to the Tom McMahan Memorial Scholarship. We have always enjoyed Tom's story and are very pleased to have the opportunity to award the scholarship again this year. Your continued support of our students is a testament to your commitment to the importance of assisting our students in their pursuit of a college degree, and we are so grateful to continue working with you.

As we strive to become the top construction management program in the nation, your continued support is vital to our rapidly increasing enrollment. With more than 500 students in the Construction Management department, scholarship funding is essential. For the year 2014, the Construction Management department awarded over 50 scholarships totaling more than \$60,000. While we are offering the foundation for an education, you are sponsoring the means for many of our students to be able to fulfill that opportunity.

The students and faculty join me in thanking you for your gift. We hope to see you at the CM Awards Banquet in September. Invitations and further details will be sent later this summer.

Respectfully yours,

Mostafa Khattab, Ph.D.
Head, Department of Construction Management
